Col. Hansen called on the question of immediate additional space. He would like to keep his small office in this building and get 2 or 3 more rooms in either Central or South. Will talk to [redacted] and think we can arrange this.

25X1

Meeting with DCI, [redacted] Col. Hansen, and Mr. Pforzheimer in regard to the proposed testimony by [redacted] in relation to the [redacted] matter. It was decided to play one card at a time and initially have Mr. Pforzheimer advise Senator McCarran and the Committee Counsel that [redacted] was employed by us in a covert capacity and we were reluctant to have him testify. Mr. Humelsine of State to be advised of this.
